## Addendum

### **EXPORTERS MAY TAP THE POTENTIAL FOR INDIAN MANGOES TO AUSTRALIA - Irradiation as another mitigation measures**

In continuation of the Advisory hosted on 06.03.2017 and persistent as well as concerted efforts of the Government of India through the Embassy of India, APEDA, Ministry of Agriculture, Cooperation & Farmers Welfare (NPPO) and constant support of Irradiation facility operators- Australia has allowed export of mangoes through irradiation treatment.

In a recent communication, received from Department of Agriculture and Water Resources, Australian Government informed that the Plant Division of Bio Security i.e. BICON has registered following three Irradiation facilities of India to treat mangoes for export to Australia as listed below :

- **Krushak Facility at Lasalgaon**
- **Irradiation Facility Centre at Vashi Mumbai**
- **Innova Agri Bio Park Ltd, MALUR, Kolar District (Karnataka)**

The interested exporters are advised to take the advantage for export of mangoes (through Irradiation treatment) to Australia subject to the compliance mentioned in the advisory issued.
