

## **AMENDED**

**16/12/2015**

In continuation of our announcement dated 28.10.2015, we are pleased to inform that the Public Authority for Agriculture Affairs and Fish Resources (PAAAFR), Kuwait has lifted the ban on import of white meat from India. It has also been clarified that import of table eggs is also allowed. News clipping in this regard is attached below:-

KUWAIT, Dec 5 (KUNA) – “Kuwaiti Municipality's Food Safety Commission has recommended lifting the ban on white meat imports from Italy, India, Turkey, Romania, and Bulgaria.

The decision was taken upon a resolution from the Public Authority for Agriculture Affairs and Fish Resources that was also based a report from the World Organization for Animal Health which declared these countries H1N1 free areas, said the Commission Head Fahad Al-Msabbehi said.”
