

## **Advisory to Exporters of processed food exporting products containing milk to Australia**

Department of Agriculture, Govt. of Australia has informed that Indian exporters involved in exports of processed food products especially containing milk are not following the relevant regulation of imports into Australia. Recently, few cases have been detected for violating the import regulations of Australia.

In view of the above, exporters are advised to strictly adhere to import laws of Australia before commencing exports of processed food products. For detailed information, exporters may refer to the website of Australian Government; [www.daff.gov.au](http://www.daff.gov.au).
