

Filing of Monthly Export Return for Consideration of APEDA Export Award 2010-11

Date: 05/12/2011

APEDA Export Award for the year 2010-11 is expected to be scheduled shortly. All registered exporters are therefore suggested to file their complete export returns for the year April 2010 to March 2011 through the online monthly export return system using Exporter's login on APEDA website by 19th December 2011 positively, as the short listing for the award will be done on the basis of export performance only for the year 2010-11. Online submission of the monthly export return for the year 2010-11 will be closed w.e.f. 19th December 2011 at 5:00 PM.

Therefore, it may please be noted that export returns should be filed online with utmost care, as the export returns will subsequently be verified with CA certified statement of export from the shortlisted exporters for the selection of awardees. Further, export performance of **APEDA products only** for the relevant business entities registered under one RCMC (not for the Group of Companies) should be submitted.
