

APEDA invites proposals for pre-feasibility study to explore the possibilities for implementing private export oriented livestock (meat & bovine meat) projects in Rajasthan. The areas to be covered in the study are as under:-

1. Study of existing population of livestock – species wise (goats, sheep, camel, buffalo and cattle) and specific information on areas/ clusters in Rajasthan where animals are available
2. Status of existing production systems (sheep and goats and buffalo) and current livestock market, cost of production and return to farmers.
3. Current slaughter systems/practices in the area and meat prices (butcher, retail value, margins, etc.)
4. Information on animal movement including local movement in slaughter houses could procure adequate raw materials at affordable cost for major centers such as Delhi & Bombay.
5. Finding the disease situation in the region of importance to international trade and public health issues.

First draft report will have to be submitted within 15 days of receipt of award letter. Final report to be submitted within 7 days of receipt of approved draft report.

Consultancy organizations having done similar studies may send their proposals to the General Manager (MPD) at the following address so as to reach on or before 9.8.2010 by 5.00 PM.
