Please note late entries are not entertained by USDA-APHIS and hence it is essential that all the information is sent to us within the stipulated time period. The format is given below:

It is requested to confirm the dates during which the USDA-APHIS inspector's services would be required. It would be appreciated if you could also provide details of likely week-wise schedule of exports of

different varieties of mangoes that you would like to execute during the season.

Kindly ensure that the information is sent within the stipulated time since we will finalize our details for USDA-APHIS based on the information received by the stipulated date i.e. 15th December 2014.

It may also be noted that the pack houses for mango exports to USA have also got to be registered in accordance with the Pack House Recognition Scheme that has been launched by us already.

Please note that in view of strict deadlines, we will not be able to accept supplementary lists of farmers hence exporters are requested to furnish composite lists by the stipulated date positively.
