

APEDA's Participation in 18th Gulfood, Hotel & Equipment Exhibition, to be held from 25th to 28th Feb., 2013 at Dubai, U.A.E.

APEDA invited its members to participate in the Gulfood Hotel & Equipment Exhibition 2013 to be held from 25th to 28th Feb., 2013 at Dubai International Convention & Exhibition Centre, Dubai, U.A.E. This year APEDA managed to receive only 735 sqm. and there was constraint of space in this exhibition.

APEDA has received overwhelming response from its member exporters who have shown their interest for participating in this exhibition under APEDA pavilion, resultantly, all the space for Gulfood 2013 has been booked and we are not entertaining further requests from our member exporters in this regard.

However, this has encouraged APEDA for even bigger participation in this exhibition next time.
