Sub: “Regulation of export of fresh grapes to the European Union through control of pesticide/drug residues” for the 2008 grape season.

Dear Sirs/Madam,

This is further to our e.mail of 31st December 2007 enclosing RMP Grapes for the 2008 grape season. In this connection, the following amendments are made in the residue-monitoring document for the 2008 grape season:

1. Point No. 4.7, 3rd line, the word `Form 5(B)` is modified to read as `Form 4(B)`.
2. Point No. 6.8 is modified to read as follows:

`In case, the test results exceed the MRLs with respect to the destination of the consignment declared by the exporter/farmer, information of failure of test results will reach the NRL, Horticulture/Agriculture officers (whose address is given in Annexure – 2) and APEDA through GrapeNet. In such cases, the laboratories shall send chromatograms, etc. to the NRL by e.mail`.

3. Annexure – 8, point no. 3, the words `Registration Certificate` and `Annexure – 4(B)` are deleted from the sentence, which will now read as follows:

`3. I have also obtained a copy of the Annexure – 2 from the farmer.`

4. Annexure – 2, Page 2, last sentence, the word `2007' is modified to read as `2008'.
5. Annexure – 4(B), Page 2, last paragraph, 3rd line, the word `obtained' is modified to read as `verified'.
6. Annexure – 10, point no. 13, column 4 of the table, the word `Determination' is modified to read as `Quantification'.

We request you to kindly take note of the above amendments.

With regards,

S. Dave
Director – APEDA
