Telangana

1) Potential of APEDA products in the state

- Mango, tomato, non-basmati rice, Telangana Sona Rice

2) Specific Issues to be taken up with Chief Secretary / State Representatives

- There is no common infrastructure facility like Irradiation / Vapour Heat Treatment / Hot Water Treatment along with integrated pack house available in Telangana, which is lagging in pushing of horticulture exports from Telangana state. Currently they are sending the produce to Mumbai and Bengaluru airport which is making the produce uncompetitive in the state.
- ICD Sanath Nagar Hyderabad (Dry port)- Telangana exporters are paying high charges in ICDs for empty containers pick up and loaded container drop charging extra charge from the exporters
- Extension services required for expansion of area under Telangana sona rice which is having low Glycaemic Index (GI) consumed by diabetic type II patients. More demand in China, Japan, South Korea, USA etc.

3) Initiatives taken/proposed to be taken to promote exports from the state .

- In Mango cluster, RO Hyderabad has pushing efforts through state officials to encourage the FPO/Progressive farmers to bring Mango orchards under GAP certification as role model project in terms of contract farming with exporters and FPOs/farmers.
- Organizing Buyer Seller Meet programmes for mango cluster districts
- Organizing workshop /awareness programmes on GI products pertaining to Telangana.

4) Status of AEP Implementation

- a) Designation of State Nodal Agency and State Nodal Officer – The nodal agency and state nodal officer has been notified by Telangana ie. Dept. of Horticulture
- b) Formation of State level and cluster level committees – State level Committee has been formed in Telangana.
- c) Finalisation of State Agri Export Plan –State Agri Export Plan finalised
- d) Stakeholders/BSM meetings conducted: BSM workshop meetings has been conducted in the Mango cluster districts of Sangareddy, Mehbubnagar.
- e) The program for Capacity building of State Nodal agency officials has been organised through MANAGE, Hyderabad towards the funds disbursed under the AEP Central sector scheme component.

Andhra Pradesh

1) Potential of APEDA products in the state

- Banana, mango and pomegranate, vegetables chillies , tomato occupies major share
Millets

2) Specific Issues to be taken up with Chief Secretary / State Representatives: Nil
