

**APEDA'S participation in 'Foodex Japan - 2017'  
being held in Tokyo during 7<sup>th</sup> to 10<sup>th</sup> March 2017**

Date: 06/12/2016

Japan is one of the largest importers of agricultural and processed food products in the world. The major items exported from India are Poultry products, Dairy Products, Processed Fruits and Vegetables, Mango pulp, Cucumber & Gherkins, Floriculture & Seeds, Maize, Guar gum, Cereals Preparations, etc. India's export of Agricultural and processed food products to Japan is Rs. 417 crores.

APEDA is organizing participation in the Foodex Japan 2017 being organized in Tokyo, Japan during 7 -10 March 2017. Mr. T. Sudhakar, Dy. General Manager and Mr. Man Prakash Vijay, Asstt. General Manager are organizing APEDA's participation in this show. During the fair, it is also proposed to promote specific Indian ethnic foods / processed food products like Ready to Eat (RTE) foods, Frozen Fruits and vegetables, Basmati rice by organizing wet sampling.

APEDA has booked 108sq.mts. area and member exporters are invited to participate in the fair. Products proposed to be displayed should meet international norms both in terms of quality and packaging. Only goods of Indian origin will be allowed for display in India Pavilion.

Participants have to make their own arrangements for visit, stay, dispatch and clearance of product samples.

Interested exporters may send their confirmation in the prescribed form. The application duly signed by the authorized person should reach in APEDA on or before 16<sup>th</sup> December 2016. In case number of applicants are more than the space available, stalls will be allocated based on the criteria.

Regards

Mr. Man Prakash Vijay,  
Assistant General Manager
