

## UTILISATION OF LAND PORT, PETRAPOLE FOR EXPORT OF DAIRY PRODUCTS

Date: 10/03/2016

Exporters of dairy products may use the facility of Land Custom port of Petrapole for exporting milk & milk products to Bangladesh. Exporters are advised to use Land Custom port of Petrapole in order to save freight cost and time which will make Indian dairy products competitive in Bangladesh market.

As per the information received from Assistant Commissioner of Custom, Petrapole Lane Customs Bangaon, West Bengal, the export of liquid milk and milk powder is freely exportable to Bangladesh and there are no restrictions w.e.f. 22nd November, 2012.
