**CRITERIA FOR GRANT OF REGISTRATION CERTIFICATE TO PEANUTS
GODOWNS/STORAGE FOR EXPORT**

To enhance export of peanuts from India and to ensure appropriate food safety, quarantine and quality compliances, it is essential to adopt the criteria outlined in this document for grant of registration certificate to the peanut processing units and integrated peanut processing units. The objectives of these criteria are to encourage exporters of peanuts to come up to the international compliance requirements. Expected benefits of these criteria include infrastructure development, encouragement to backward linkages, export of good quality produce and encouraging adoption of internationally acceptable practices and creation of a healthy competitive environment among exporters.

01	CRITERIA FOR APPLICATION FOR REGISTRATION AND RENEWAL	1.1	Application for registration of peanut godowns/storage units for export shall be made online to APEDA in Form-I .
		1.2	Data in Form-II shall be attached as an attachment with the application such as peanut godowns/storage infrastructure.
		1.3	The initial application fee of Rs. 25,000/- plus taxes and renewal fee of Rs. 20,000/- plus taxes shall be made online to APEDA. The validity of registration shall be for three years.
		1.4	Onus of renewal before expiry of the original registration shall be of the godowns/storage. The documents mentioned at para 1.5 need not be attached if there is no change.
		1.5	Scan of following other documents should be attached with the application: a) Name & addresses of owners/partners/directors/trustees etc. along with documentary evidence. b) Copy of permission/license from the SSI/DIC/EOU of godowns/storage. c) Copy of the lease agreement in case the godowns/storage is on lease basis (if applicable). d) Lay out of the premises.

			<p>e) List of machinery and equipment including transport vehicles.</p> <p>f) Health record of workers, maintained if any.</p> <p>g) Record of training provided to workers, if any.</p>
		1.6	For documentary evidence, scan of self certified copy of power of attorney/copy of the resolution signed by the owner/partner/director/managing trustee duly authorized for the purpose shall also be attached with the application.
02	PEANUT GODOWNS/ STORAGE REGISTRATION CRITERIA	2.1	Preliminary scrutiny of the application with the help of checklists shall be carried out by APEDA. In case the application is in order, APEDA shall organize inspection of the unit by a registration committee constituted by it consisting of official from APEDA, respective State Government(s) and Directorate of Groundnut Research (DGR). The committee will have minimum two members of which one will be from APEDA.
		2.2	APEDA shall carry out surprise (unannounced) inspection of 10% recognized peanut shelling, grading and shelling-cum-grading units selected randomly by a committee constituted by APEDA consisting of official from APEDA, State Government(s) and DGR. The Committee shall submit its inspection report in Form-III to APEDA. The expenditure shall be borne by respective departments. The inspection committee will have minimum two members of which one will be from APEDA.
		2.3	Evaluation of the applications and physical inspection shall be carried out on first-come-first-served basis.
		2.4	APEDA shall inform the godowns/storage/exporter one week in advance of the date of inspection so that by such time the godowns/storage should be ready with requisite records, as required for verification by the processing unit registration committee.
		2.5	The Registration Committee shall furnish the inspection report with its recommendations to APEDA as per format given in Form-III within one week of the physical inspection.

		2.6	Peanut godown/storage units shall ensure awareness of groundnut farmers on Good Agricultural Practices, implementation of official controls including food safety management system in accordance with Code of Practice for Prevention and Reduction of Aflatoxin Contamination in Peanuts CAC/RCP 55-2004.
		2.7	Peanut godown/storage units shall ensure compliance with the advisory issued by Plant Protection Advisor vide letter dated 26.2.2015 in accordance with the summary given in Appendix-I .
03	ISSUE OF GROUNDNUT GODOWNS/ STORAGE REGISTRATION CERTIFICATE	3.1	In case the Registration Committee is satisfied that the godowns/storage unit conforms to the requirements, it will recommend to APEDA to issue the Registration Certificate. The same shall be issued by APEDA in Form-IV . The certificate shall bear a unique number allotted by APEDA.
		3.2	The Registration Certificate issued to peanut godowns/storage unit shall be prominently displayed in the unit.
		3.3	Any change in the layout, design, capacity, documentation, title, etc., of the godowns/ storage shall be got approved by APEDA within 60 days of such change.
		3.4	The date of validity of the Registration Certificate shall be for two years from the date of issue.
		3.5	The godowns/storage shall be re-inspected by the godowns/storage Registration Committee for the purpose of renewal of the certificate. The re-inspection shall be carried out before expiry of validity of the certificate.
		3.6	In case, godowns/storage is leased, the certificate shall be issued to the manufacturer/exporter who is the lessee and not to the owner of the godowns/storage. In case, lease agreement expires before the expiry of the registration certificate, then validity of the certificate will be limited to the date of expiry of lease agreement. In case of extension of lease agreement, the certificate shall be renewed for such period as appropriate.
		3.7	In case exporter/processor avails the part of facility of godown/storage from a service provider, then the onus

			of applying for obtaining registration certificate of godown/storage rests with the service provider and all exporters are entitled to avail such common facility.
		3.8	The godowns/storage shall also comply with such other instructions as may be issued from time to time.
		3.9	In case any amendment(s) in the Certificate is required, the exporter shall apply to APEDA who will make the necessary amendment after verification. The original and all copies of the certificate issued to the processor/exporter will have to be submitted for the purpose.
04	REFUSAL/CANCELLATION/SUSPENSION OF PEANUT GODOWNS/ STORAGE REGISTRATION CERTIFICATE	4.1	Issue of certificate may be refused or, if issued, may be cancelled or suspended: a) If the godowns/storage does not conform to the prescribed standards. b) If there are adverse reports from the financial institution/banks against any of the owners/directors/partners/trustees. c) In case of un-satisfactory arrangements for disposal of rejected, rotten, and waste. d) In the absence of a valid license from the local bodies.
		4.2	In the overall interest of exports, from India, APEDA reserves the right, at any stage, to withdraw/cancel/suspend registration given to a godowns/storage.
		4.3	Refusal of application for certificate or its cancellation/suspension, as the case may be, shall be communicated to the applicant.
05	APPEAL AGAINST REFUSAL/SUSPENSION /CANCELATION OF PEANUT GODOWNS/ STORAGE REGISTRATION CERTIFICATE	5.1	Appeal against refusal/cancellation or certificates may be submitted to APEDA within 30 days of the receipt of such refusal/ suspension/cancellation.
		5.2	In case of cancellation of certificates, the original certificate of unit registration shall accompany the appeal.

		5.3	APEDA will consider the application on merits and, if considered necessary, order re-inspection of the godowns/storage during which time the anomalies pointed out by the Committee should be rectified.
		5.4	If approved, a fresh certificate shall be issued. The intervening period between the cancellation of the certificate and issue of fresh certificate shall be deemed to imply that the godowns/storage is not recognized during this period.
06	ISSUE OF DUPLICATE REGISTRATION CERTIFICATE IN CASE OF LOSS OR MULTILATION	6.1	In case of loss or mutilation of any certificate, a duplicate certificate may be issued on payment of Rs. 1,000/-. The validity of the duplicate certificate shall be the same as that of the original.

Prevention of groundnut bruchid, *Caryedon serratus* and Khapra beetle, *Trogoderma granarium*

The peanut godown/storage unit shall ensure the followings:

1. Quality system in place to ensure high standards of Phytosanitary compliances.
2. Monitoring of storage pests especially groundnut bruchid (*Caryedon serratus*) and Khapra beetle (*Trogoderma granarium*).
3. Processing lines/packing machines shall be cleaned and disinfested periodically.
4. For containerized shipments, cleanliness status of the container shall be ensured before stuffing.
5. Present total quantity of lot for inspection for which Phytosanitary certificate is required.
6. The vessel holds/hatches should be inspected for residual commodities/infestation before loading.
7. In case of onboard fumigation the fumigator must ensure the gas tight worthiness of the ship holds/hatches alongwith air circulation system in the hatches for effective fumigation.
8. The fumigator must treat the groundnut consignments meant for feeding stuff with Methyl Bromide @ 32gm/m³ for 24 hours or Phosphine @ 4gm/m³ for 120 hrs. for groundnut bruchid (*Caryedon serratus*).
9. The untreated groundnuts should not be stacked close to the treated lot to avoid cross infestation.
10. The groundnuts should not be moved before the treatment exposure period is completed.
11. The untreated lot is not loaded/mixed in the vessel.
12. Get verification carried by PSC issuing authorities that the consignment is free from storage pests especially groundnut bruchid and Khapra Beetle.
