Eccentric Organic Private Limited, Tiruchirappalli, Tamil Nadu

Annual Tariff Structure for Organic Crop Production

Certification under National Program for Organic Production (NPOP) (in INR)

Notes:

- Operator should note that paying certification fee doesn't entitle to get certificate. Decisions are based on compliance with NSOP standards.
- Applicable Government taxes will be charged extra.
- Chemical analysis , if required (Soil / Water / Raw / Finished product sample etc.) Actual expense cost to be borne by the operator.
- Surveillance inspections will be charged according to the scale of fees if non-compliance had been detected during the inspection.
- Additional inspections imposed by the Certification Committee according to the scale of sanctions or additional investigations necessary due to detection of serious non-compliance will be charged according to the scale of fees taking into account the necessary time and costs.
