Advisory
Registration of Citrus Fruits under Hortinet traceability software

Dear Exporter,

APEDA has been providing facility to State Government of Maharashtra to register the Citrus Fruits orchards of interested farmers who wish to produce and supply Citrus fruits for exports. The interested exporters are advised to help in registering Citrus farms / orchards through the concerned State Horticulture / Agriculture Department under APEDA's Hortinet traceability system.

The registration date for Citrus Orchards / Farms is open till 31.03.2020.
