CIRCULAR

Export of Fruits & vegetables from India to Russia

This is with reference to the Unified requirements approved by the decision of the council of the Eurasian Economic Commission, Russia dated November 30, 2016 No. 157, the export of some fruits and vegetables require additional declaration that 'The regulated products are **produced in pest-free area, places and (or) production sites**'.

NPPO Russia vide letter dated 07.06.2022 has clarified that the requirement of fruits and vegetables to be produced in pest free zones is not applicable fruits and vegetables such as **banana, papaya, pineapple, fresh citrus fruits including oranges, brinjal, okra, bitter gourd, pumpkin, green chilli, onion, soybean**. These fruits and vegetables may be imported without any additional declaration of being produced in pest free zones of India.

The **additional declaration is required** only for some selected fruits and vegetables including **tomato, potato, turnip, radish, pomegranate, carrots**.

Interested Exporters are requested to avail the opportunity and comply with the requirement for export of fruits and vegetables to Russia.
