Advisory

Plant Protection Division, Ministry of Agriculture, forestry and fisheries (MAFF), Govt. of Japan has allowed the export of Indian mango from the facilities listed as attached. The facilities have been considered by MAFF based upon their verification carried out through NPPO, India.

The mango season has started the exporter may follow the above requirement for export of mango from India to Japan.

The plan and schedule of interested exporters may be shared with APEDA immediately. According to the plan submitted APEDA in association with NPPO will facilitate fulfillment of the requirement of MAFF Japan.
