## Certification Bodies and Operators,

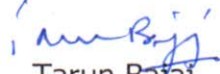

### On-line Registration of Contract for Export of Organic Pulses

This has reference to APEDA's trade notice dated 22.6.2017 regarding online registration of contract for export of organic pulses for 2017-18 vide DGFT notification no. 03/2015-2020 dated 19.4.2017.

In this regard, it is informed that DGFT vide their notification no. 38/2015-202 dated 22.11.2017 have removed prohibition on export of all varieties of pulses including organic pulses made free for export without any quantitative ceiling **till further orders.**

In view of the above notification, the online module for RCAC for organic pulses has been deactivated. It is needless to say that the compliance of these products as certified organic under NPOP is the responsibility of the Certification Bodies and Operators. Any non-compliance observed or reported will be viewed seriously.

Yours faithfully,
