Subject : Serbian Authority granted Market Access for export of Indian Mango, Pineapple, Papaya and Banana to Serbia.

In a recent communication, Serbian Ministry of Agriculture has confirmed that there is no restriction of Market access for the export of Indian Mango, Pineapple, Papaya and Banana to Serbian market. It is also informed that custom duty of Serbia applies on such import by Serbian importers, the applicable tariff rates are as follows:

- (a) Mango, Pineapple and Papaya – 10%
- (b) Banana – 15%

Considering the opportunity of new market, it is hereby advised that the exporters of Mango, Pineapple, Papaya and Banana to take the advantage of Serbian market.

Export of such agriculture products to Serbia also needs Phyto Sanitary Certificate. After signing of the Agreement on Plant Health and Plant Quarantine during the visit of Hon'ble Vice President of Serbia in September 2018, the Indian Phyto Sanitary Certificates are now acceptable in Serbia.

In addition to the above, it is important to note that exporters shall strictly comply other regulatory requirements of Serbian Authority.
