The previous edition of the WFM organized in 2023 was an immense success and is now very popular among the importers and exporters of agro products around the world.

The exhibition shall be designed esthetically for showcasing Indian food products and exclusive for the Indian exporters. The India pavilion would have around 15-20 built up stalls in the size 9 Sq. mtrs and would be allocated to the APEDA registered exporters.

In this regard, APEDA invites expression of interest from the registered member exporters for participation in the World Food Moscow 2024 under India pavilion. The link is given below:-
