Dated: 23.02.2023

Office Memorandum

Subject: Implementation of e-phyto by National Plant Protection Organization (NPPO) of India-reg.

All the Officer in-Charges of Regional Plant Quarantine Stations (RPQSs) are hereby informed that NPPO, India has completed the integration of IPPC's e-phyto through its official web portal *i.e.* Plant Quarantine Management System (PQMS) and tested successfully. A specimen copy of Phytosanitary Certificate (PSC) to be generated through IPPC e-Phyto system with QR code is attached for reference as **Annexure I**. Further it is informed that there is no change in the format of existing PSC issued through existing PQMS as well as the PSC generated through IPPC e-Phyto hub, except the QR code. The e-Phyto system will be implemented *w.e.f.* 01.03.2023.

It is pertinent to mention that few Phytosanitary Certificate (PSC) issuing Authorities from State Agriculture/Horticulture Departments are issuing PSCs for the export of Grapes through HORTINET (GRAPENET) portal of APEDA. Apart from this, some of the PSC issuing Authorities from State Agriculture/Horticulture Departments are issuing PSCs without integration into PQMS. Upon implementation of e-Phyto system, the importing country NPPO's may not accept the PSCs issued in other mode, except PQMS.

In view of the above, you all are directed to take up the matter with the concerned PSC issuing Authorities of State Agriculture/Horticulture Departments under your jurisdiction and ensure their PSC issuance through PQMS, **latest by 27.02.2023** for smooth export of Agriculture trade. A compliance report in this regard should be furnished by **28.02.2023**.

This is issued with the approval of Plant Protection Advisor.

Encl: As above.

(Dr. S. Gnanasambandan)
Joint Director (PQ)

To,

All the Officer in-Charges of RPQSs

Copy to

1. The Chairman, APEDA, 3rd Floor, NCUI Building 3, Siri Institutional Area, August Kranti Marg, (Opp. Asiad Village), New Delhi - 110 016, India (E-mail: headq@apeda.gov.in) with a request to arrange for the integration of APEDA's HORTINET with PQMS, latest by 27.02.2023 for smooth export of Agriculture trade.
2. All the Commissioners/Directors of State Department of Agriculture/Horticulture with a request to ensure the issuance of PSCs by State PSC issuing Authorities through PQMS latest by 27.02.2023 for smooth export of Agriculture trade.
3. The Director (PP), DA&FW, Krishi Bhavan, New Delhi.
