#### Grant of Market Access of okra seed and its Phytosanitary requirements for export to Israel

This is with reference to the communication received from NPPO Israel vide letter dated 05.01.2026 forwarded by NPPO India conveying the market access for export of okra seeds (*Abelmoshus esculentus*) from India. The exports of okra seeds to Israel are subject to the following conditions:

- Importer wishing to import okra seeds from India to Israel required to obtain Import Permit from NPPO Israel.
- Phytosanitary certificate should be endorsed with the following additional declaration. -  
“**The seeds were officially tested and found free from: *Fusarium oxysporum f.sp. vasinfectum* and Okra enation leaf curl virus.**”

Interested Exporters are requested to avail the opportunity and comply with the requirement for export of okra seeds from India to Israel.
