Notice

Sub: Procedure for Export of Rice to China

In order to ensure compliance with the sanitary and phytosanitary requirements for the export of rice to China, a procedure has been developed for the guidance of exporters and other stakeholders. The procedure shall come into effect for all RCAC applications received by APEDA from **09 June 2026 onwards** and shall be applicable to all rice consignments intended for export to China. Accordingly, all stakeholders are advised to refer to the document available on the APEDA website under **Quality → Export Procedure** and ensure compliance with the prescribed requirements therein.
