Executive Summary

India's participation at the International Food & Drink Event (IFE) London 2026, held from 30th March to 1st April 2026 at ExCeL London, United Kingdom, marked a focused effort to strengthen its Agri and processed food exports in the UK and European markets. The Agricultural and Processed Food Products Export Development Authority (APEDA) established a **342 sq. m. India Pavilion** under the theme "*Grown in India for the World*," presenting a strong and unified Brand India presence.

The pavilion featured **29 Indian exporters**, along with **11 exhibitors from the Spices Board of India**, showcasing a diverse range of products including fresh produce, processed foods, millets, spices, rice, and value-added agricultural products. The pavilion was inaugurated by **Ms. Nidhi Mani Tripathi, Minister (Economic), High Commission of India, London**, setting the stage for active trade engagement.

Key highlights included a **Wet Sampling & Live Cooking Zone** featuring GI-tagged products, and a **Sampling & Tasting campaign** offering Basmati dishes, millet-based foods, fruits, beverages, and desserts—creating strong buyer engagement and product visibility. Additional initiatives such as **influencer engagement** and a **Henna Art Experience** enhanced digital outreach and cultural connect, increasing visitor footfall and interaction.

The India Pavilion attracted significant interest from global buyers, importers, and distributors, resulting in **strong B2B interactions and trade enquiries**, while enabling exporters to explore new opportunities and understand evolving market trends.

Overall, APEDA's participation at IFE London 2026 successfully strengthened India's global positioning as a **reliable, diverse, and value-driven agri-food supplier**, reinforcing its presence in the UK and European markets.

IFE London 2026

The **International Food & Drink Event (IFE) London 2026** is one of the UK's leading and most influential trade exhibitions for the global food and beverage industry. The event was **held at ExCeL London, United Kingdom**, and formed a key part of the prestigious **UK Food & Drink Shows**, attracting a wide spectrum of international participants.

IFE London served as a comprehensive **B2B platform**, bringing together food producers, exporters, importers, distributors, retailers, and foodservice professionals under one roof. The exhibition provided a dynamic environment for showcasing innovative products, exploring emerging trends, and fostering strategic business partnerships across global markets.

The event featured a diverse range of product segments, including:

- Processed and packaged foods
- Organic and health products
- Beverages (alcoholic and non-alcoholic)
- Dairy and frozen foods
- Meat and seafood
- Ingredients and specialty foods

With participation from numerous countries, IFE London offered exhibitors a valuable opportunity to **access the UK and wider European markets**, understand consumer preferences, and position their products in a competitive international landscape.

In addition to the exhibition, IFE hosted a series of **knowledge-driven sessions, live demonstrations, panel discussions, and networking forums**, enabling stakeholders to gain insights into market trends, regulatory frameworks, and future opportunities in the food and beverage sector.

Overall, IFE London 2026 acted as a significant gateway for **global trade, innovation, and collaboration**, making it a strategic platform for promoting agri-food exports and strengthening international market linkages.

APEDA Participation at IFE London 2026

The Agricultural and Processed Food Products Export Development Authority (APEDA), under the Ministry of Commerce & Industry, Government of India, showcased a significant presence at the International Food & Drink Event (IFE) London 2026, held from 30th March to 1st April 2026 at ExCeL London, United Kingdom. **APEDA featured a dedicated pavilion spanning 342 square meters, creating a strong and impactful presence at the event.**

APEDA's participation was strategically aimed at **strengthening India's agri and processed food exports** by presenting a diverse, high-quality, and export-ready product portfolio to global buyers, importers, and key industry stakeholders. The **India Pavilion** served as a comprehensive platform to highlight India's growing capabilities in delivering **safe, sustainable, and value-added food products**, aligned with international standards and evolving consumer preferences.

The pavilion was inaugurated by **Ms. Nidhi Mani Tripathi, Minister (Economic), High Commission of India**, in the presence of senior officials from the Indian Mission, APEDA representatives, and members of the Indian export community. The inauguration marked the commencement of focused trade engagement and reinforced India's commitment to expanding its footprint in the UK and European markets.

A total of **29 Indian exporters** participated under the APEDA umbrella, representing a diverse and dynamic cross-section of India's Agri-export ecosystem. The participants showcased a wide spectrum of products, including:

- Fresh fruits and vegetables
- Dehydrated vegetables, garlic and onion products
- Processed and pickled products (including gherkins)
- Millets and millet-based products
- Spices and rice
- Other value-added agricultural commodities

In addition, **11 exhibitors from the Spices Board of India** also participated within the India Pavilion, further strengthening the representation of India's spice sector and enhancing the overall product diversity on display.

A key highlight of the pavilion was the **dedicated Wet Sampling Area**, which drew strong visitor engagement throughout the event. Live cooking demonstrations featuring **GI-tagged Indian products** offered an immersive and experiential culinary showcase to international buyers.

Signature dishes such as **Manipuri Black Chakhao Rice Kheer, Makhana Crème Corn & Gucchi Mushroom Soup, and Qubli Batrish (Kurdish Pomegranate Rice with Saffron)** effectively demonstrated India's rich food heritage, regional diversity, and the versatility of its ingredients in contemporary global cuisine.

The India Pavilion witnessed **substantial footfall from international buyers**, including importers, retailers, distributors, and foodservice professionals from across Europe and other key global markets. The platform enabled **extensive B2B interactions, business inquiries, and trade discussions**, facilitating meaningful engagement between Indian exporters and prospective buyers, and creating strong potential for long-term collaborations and market expansion.

Through its participation at IFE London 2026, APEDA:

- Reinforced India's position as a **reliable sourcing destination** for Agri and processed food products
- Promoted **value-added, GI-tagged, and region-specific products** in the global marketplace
- Facilitated **market access, buyer-seller engagement, and export linkages**
- Strengthened India's presence in the **United Kingdom and wider European markets**

Overall, APEDA's participation significantly contributed to **enhancing India's global visibility, strengthening trade relationships, and expanding its Agri-export footprint**, while positioning the country as a competitive and dependable partner in the international food trade ecosystem.

APEDA Theme Pavilion

The **APEDA Theme Pavilion** at IFE London 2026 was designed to present a cohesive and impactful image of India's Agri and processed food sector. Reflecting the essence of "**Brand India**", the pavilion prominently carried the theme "**Grown in India for the World**", showcasing the country's strength in delivering high-quality, diverse, and value-added food products to the global market.

The pavilion featured a well-planned layout with strong branding, enabling effective product display and smooth visitor engagement. It highlighted key focus areas such as **quality standards, sustainability, innovation, and GI-tagged products**, reinforcing India's position as a reliable sourcing destination.

A key attraction was the **Wet Sampling Area**, where live cooking demonstrations using Indian ingredients provided visitors with an interactive culinary experience, further enhancing engagement at the pavilion.

Overall, the Theme Pavilion played a significant role in **attracting international buyers, facilitating business interactions, and strengthening India's presence in the global agri-food sector.**

INAUGURATION

APEDA THEME PAVILION

Influencer Engagement – IFE London 2026

As part of its outreach and promotional strategy, APEDA collaborated with digital influencer **Akash Choudhary** to enhance the visibility of the India Pavilion at **IFE London 2026**.

Through his platform, the influencer created and shared engaging content showcasing the **APEDA Pavilion, participating exhibitors, and the diverse range of Indian Agri and processed food products**. The coverage highlighted key attractions such as the **Theme Pavilion branding, product displays, and the Wet Sampling Area**, offering audiences a dynamic view of India's presence at the event.

The influencer's content helped in:

- Expanding the **digital reach** of APEDA's participation
- Promoting "**Brand India**" to a wider international audience
- Showcasing India's **culinary diversity and export capabilities**
- Driving **online engagement and awareness** around the pavilion

This initiative complemented on-ground activities by creating a **strong digital narrative**, thereby enhancing the overall impact and outreach of India's participation at IFE London 2026.

“At IFE London 2026, India’s GI-tagged heritage is brought to life through a refined culinary journey crafted for the world.”

with Saffron (GI Tag)**

**Sampling
&
Tasting
Experience
IFE London 2026**

“An engaging sensory experience offering a taste of India’s rich culinary heritage to global audiences.”

As part of the India Pavilion at **IFE London 2026**, APEDA conducted a **Sampling & Tasting Campaign**, offering visitors a first-hand experience of India’s diverse and high-quality food offerings.

The sampling featured a curated range of products across key categories, including:

- **Basmati Rice Delicacies** – Veg & Non-Veg Biryani
- **Millet-Based Innovations** – Khichdi, Pasta, and Noodles
- **Fresh & Natural Produce** – Mango, Pomegranate, and Grapes
- **Beverages & Wellness Products** – Mango Smoothie, Organic Turmeric Latte, and Organic Tea
- **Desserts** – Fruit Custard

This diverse spread highlighted the **versatility, nutritional value, and global adaptability** of Indian food products. The live sampling attracted strong visitor interest and enabled buyers to **experience the taste, quality, and authenticity** of Indian offerings.

The initiative significantly enhanced **visitor engagement, product recall, and buyer interaction**, reinforcing India’s positioning as a **premium and reliable sourcing destination** in the global food market.

Cultural Engagement – Henna Art Experience

To enhance visitor engagement and showcase India's vibrant traditions, a **Henna (Mehendi) Art Experience** was organized at the India Pavilion during **IFE London 2026**.

International visitors were offered **complimentary henna applications**, allowing them to experience an authentic element of Indian culture firsthand. The intricate designs and live artistry attracted significant interest, creating a lively and engaging atmosphere at the pavilion.

This initiative not only added a unique cultural dimension to the pavilion but also:

- Strengthened the **emotional connect with visitors**
- Promoted India's **traditional art forms and heritage**
- Increased **footfall and dwell time** at the pavilion

Overall, the Henna Art Experience contributed to creating a **memorable and immersive Brand India presence**, extending beyond food to cultural expression.

“Celebrating India’s rich cultural heritage through interactive experiences.”
