Subject : Guidelines for Certifications of Organic Edible Oils for Exports

This is to inform you that Govt. of India, vide DGFT Notifications No.50 (RE-2010) 2009-2014 dated June 03,2011 has now permitted the export of 10,000 MT of Organic Edible Oils per financial year 2011-12 upto 31/03/2012 (a copy of the DGFT Notifications is enclosed for reference)

As per the procedure, place on the APEDA website ([http://203.196.130.19/apedawebsite/miscellaneous/Trade Notice Organic Pulses.pdf](http://203.196.130.19/apedawebsite/miscellaneous/Trade_Note_Organic_Pulses.pdf)), the exporters are required to submit an application to APEDA for issue of registration-cum-allocation –certificate(RCAC). In respect of export of organic edible oils, the applications are required to be accompanied by a Transaction Certificate. These documents can be issued by accredited certification bodies authorized for specific markets as per the scope of accreditation. In case of certain markets, in-conversion organic products are not allowed to be imported. Therefore, to verify this aspect the application also needs to be accompanied by the Scope Certificate indicating the organic status of the produce. The exporters have been advised to provide these documents while submitting their application for issue of RCAC.

You are requested to please comply with the requirements stated above. For the sake of convenience, we are enclosing the formats of the scope and transaction certificates for different markets. You are also requested to advise the exporters on the above lines while certifying their products referred to above.

Yours faithfully,

S.Dave
Director
